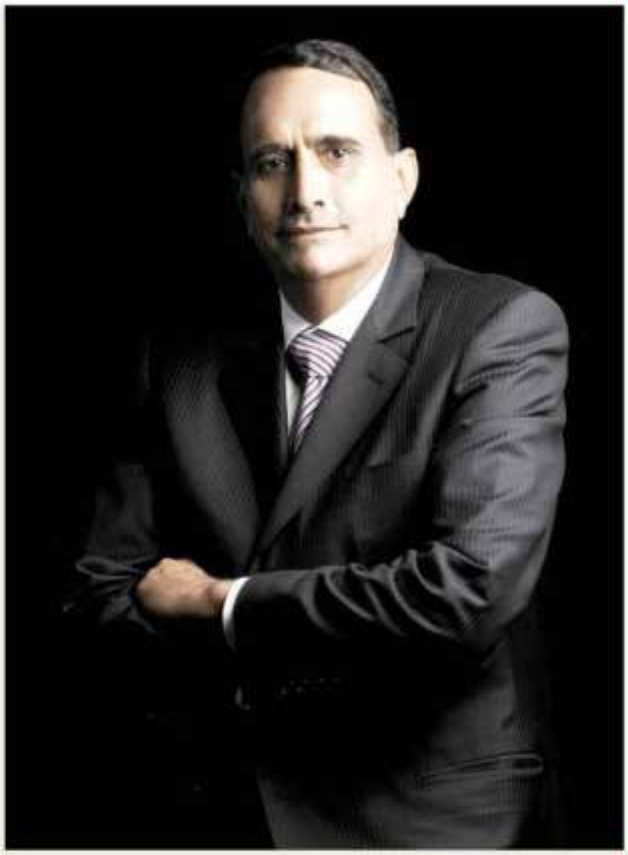
OUR FOUNDER

Our Founder



Late Shri Vinod Kumar Gomber, *an eminent and visionary NRI, founded The Gomber Education Foundation to fulfil his vision of establishing world-class, integrated institutions. Late Shri Vinod Kumar Gomber steered Dubai based Emaar Properties as the Group's CEO. He led Emaar Group's subsidiaries in Dubai and its operational arms across the world. With his wealth of experience in diverse fields of business, he took a multi-functionary role at the Emaar encompassing strategic planning, monitoring and management of execution, systems and processes, legal, human resources, treasury, finance and tax planning, and corporate communications.* ***He was the one who conceived the idea of Burj Khalifa, Dubai Mall, Aquarium and Fountains in Dubai and actualized it.***

A Harvard Business School Alumnus, Late Shri Vinod Kumar Gomber *also held the positions of Executive Director and Group Chief Executive Officer of RSH Limited, Singapore, before joining Emaar Group. He is credited with leading RSH Group from 1994 to 2006 and transforming the company into a pan - Asian marketing, distribution and retail giant of sports, active lifestyle and fashion products.*

Late Shri Vinod Kumar Gomber
27-12-1950 to 14-02-2010

A leader who had the vision and conviction that this dream can be achieved. He inspired the Strength and Energy in all of us.

CHAIRPERSON'S MESSAGE

(Sponsoring Body)

The Sponsoring Body of Raffles University is Gomber Education Foundation, a Voluntary, Non-Profit Making, Non-Sectarian and Charitable Trust, registered under the Indian Trusts Act 1882, founded by its Founder Chairman Late Shri Vinod Kumar Gomber, with Internationally Renowned Trustees.

As Chairperson of GEF, I am trying my best to fulfill my Late husband's Dream of Excellence in affordable education, embedded in humanistic traditions & ethical values.

The Academic Institutions are the Pillars for the development of Society and Nation. Here, at Raffles University, the aim is not only to educate the students but also shape up their career by focusing on their overall development. We try to educate beyond the walls of class rooms, emphasizing on acquiring knowledge, rather than receiving a degree. Academic knowledge plays a vital role in making up of one's personality and to achieve progress in life. It is a common knowledge that sound personality is a combination of several facets and each of these needs to be developed in order to transform one into completely embellished person.

It is our vision that when the students pass out from Raffles University, they should not be the one in the crowd, but they should stand out in the crowd, they pass through. I can proudly say, that once our students step in, they step out with the self-confidence and knowledge to face all endeavors with complete theoretical and practical knowledge, which is essential for development of Society and Nation.

May the University make its mark in the Academic World, both Nationally as well as Globally.

Dr. Justice Meena V. Gomber

CHAIRPERSON'S MESSAGE

Chairperson

OUR CHAIRPERSON

"Leadership creates performance in people because it impacts willingness, it's a matter of modeling, inspiring, and reinforcing."

Mr. Vivek Gomber

RAFFLES UNIVERSITY

Raffles University, Neemrana is a dream and vision of Gomber Education Foundation to provide integrated pathway to quality education. In order to achieve this, one needs infrastructure that meets global standards, experienced team of professors and faculty who have international exposure and an environment which provides resources for its students, enabling them and challenging them to grow as individuals and identify their passions. We, at Raffles, believe that we can provide you with such an environment.

The eco-friendly Campus in the lap of Aravalli hills, is equipped with state of the art facilities. We have well equipped labs, workshops and libraries to help our students in attaining high standards in academics and professional skills. Technology is an integral part of today's society and we thrive on bringing technology into our lectures to provide efficient and innovative ways of learning. Education is a great gift and as we evolve as a society/specie it is essential that we produce leaders who attain vast knowledge, leaders who are fearless with dogged determination, individuals who can excel on national and International platforms. The University's board of management and its academic advisory council consists of some of the best educationists, entrepreneurs and management gurus of the world. We, at the University, will continue to share our network with you to provide you with invaluable conversations and opportunities for growth. We have international network exchange program for students as well as faculty in an effort to keep pace with the advancement of knowledge beyond the geographical boundaries.

It is important for us to take pride in the fact that we are located in India, and even though we aspire to achieve learning of an international standard it will never be at the cost of Indian ethos and values. We believe in respecting our environment and we would expect the same from our Indian and International students. In fact we want to encourage you to take initiative and discover the communities that surround our campus, we want you to develop a sense of social responsibility as you transform into insightful, respectful and responsible global citizens.

Dear students please remember these are your years of learning and this is your time, therefore do not be hesitant, we are here to help provide you with an experience that you desire at this stage of your life. All of us at Raffles University strive to review and improve everyday wherever required. We will continue to further identify reputed International Universities/institutions, industries and academicians with whom we will continue to associate for course development, contents development, joint research projects, twining projects, dual degree programs, international training for students and faculty, International placement of students.

I would like to welcome you to Raffles University, and I am delighted that you have decided to join our institution. I hope that all your expectations are met at our University and that we can help you achieve your goals.

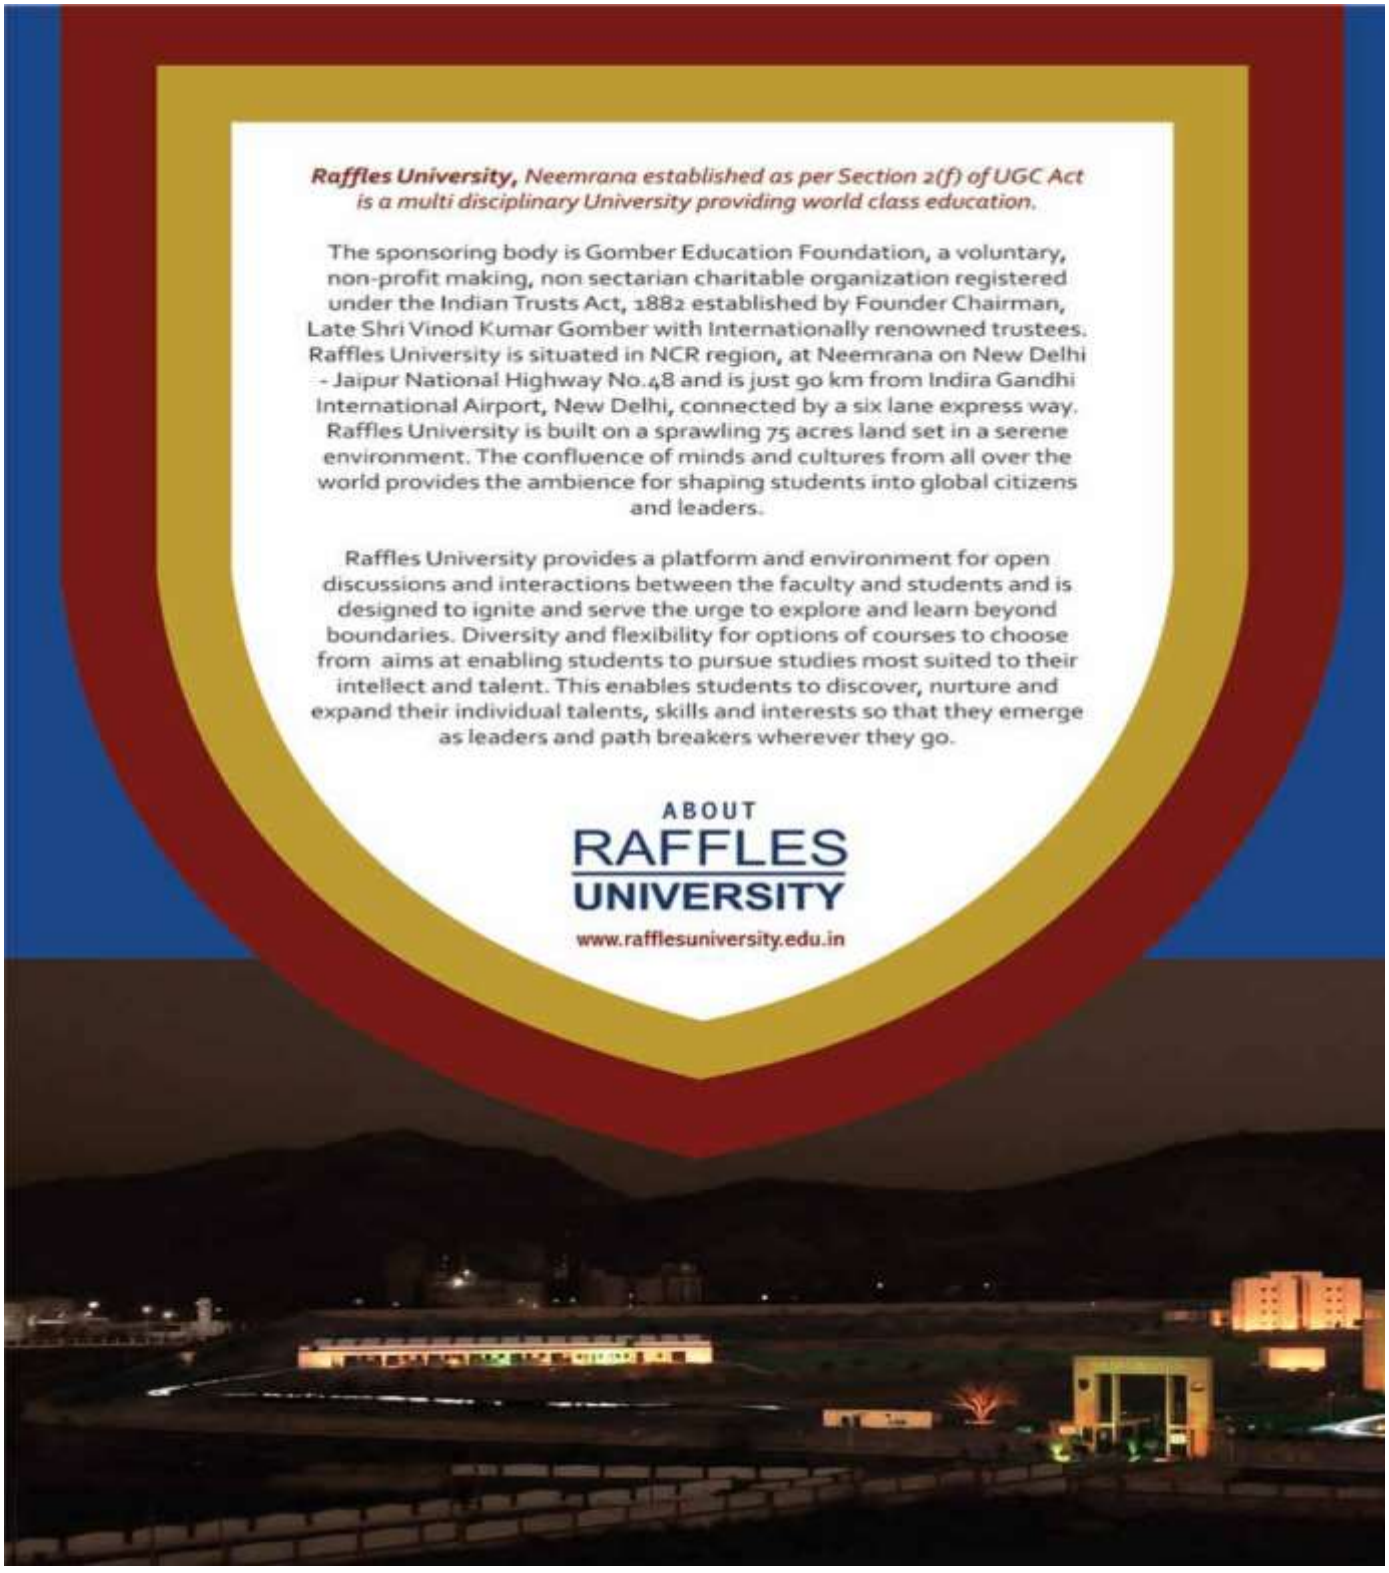
PRESIDENT'S MESSAGE

The Raffles University is offering undergraduate, masters and research programs in different streams. The best feature of our university is that the faculty members are available to the students on 24 × 7 basis. The ambience, state of the art infrastructure, pollution free green campus, meticulous planning and delivery of academics, with all, individuals care and student centric approach make us to claim that 'we are different'. All other legitimate expectations of the students and parents in terms of sports, cultural events, co-curricular activities, industry interface and exposure to contemporary developments are taken care of. We ensure total compliance with all statutory requirements of regulatory bodies.

Scientific potential which means 'Knowledge is Power' is our *dhyeya vakya*. We equip, expose empower and enlighten you to face any challenge of the life with confidence, but not compromising with ethical values.

Prof. (Dr.) Gadangi Indira
President

ABOUT UNIVERSITY



VISION

Raffles University would evolve as an institution of excellence where scholars, who develop informed and inquiring minds, shall broaden the frontiers of pure and applied knowledge. Scholars, who shall not merely undergo the humdrum learning of how things are done but shall move onwards, exploring problems and solutions that have tended to challenge human ingenuity. In this endeavor, Raffles faculty shall range and work alongside the ablest, best and globally acknowledged centres of research and academia. Added to this would be systems and processes that would create an ambience conducive to the spirit of inquiry and the pursuit of excellence within the University.

MISSION

The Mission of Raffles University, Neemrana, is scholasticism of a high order through education, not instruction. Teaching, in the various disciplines, would be a collective exploration of the boundaries of knowledge, by the teachers and the taught, so as to look and reach beyond them. This would enable the students to emerge from the University portals as fully developed global citizens prepared to function as agents for change in an era where technology and commerce are rapidly transforming human lives. The capacity to user in change shall be specially ingrained among Raffles students so that they may discover, nurture and expand their individual talents, skills and interests while standing forth as leaders and path breakers wherever they go. While discharging their role as leaders, Raffles alumni shall have the wherewithal, to act as true leaders, by way of problem-solving capabilities, the acumen to build and inspire teams and the kind of international peer group relationship that are essential not only to engender growth and change but also to render them lasting and meaningful.

CORE VALUES

- Shaping the evolution of students as global citizens with the capacity to lead, inquire, invent, innovate and transform for the common welfare.
- Encouraging the highest respect for diverse culture, traditions and ethical standards as components of quality education.
- Promoting and facilitating symbiosis in thought, learning and growth skills imparted by the best centers for study and research globally.
- Instilling professionalism in recourse to analytical as well as empirical tools of knowledge coupled with rigorous honesty in thought and practice.
- Providing the intellectual bedrock by way of a capable faculty dedicated to the Core Value of the University.

6. ACADEMIC PROGRAMMES

The Raffles University started offering 13 UG & 01 PG academic programs and research in all disciplines from the academic year 2011-12. At present University offered 16 UG and 22 PG more programs.

In addition, there are 6 research programs leading to Ph D degree. The Table -1 presents school wise courses offered with eligibility criteria and Table – 2 represents School wise Academic Programs Offered during Academic Year – 2022-23.

Table – 1

6.1 School wise Courses Offered with Eligibility Criteria, Academic Year- 2022-23

School of Law		
B.A. LL.B.	10+2 passed student	5 years
B.B.A. LL.B.	10+2 passed student	5 years
LL.B.	Graduate degree from a recognized university	3 Years
LL.M. (Corporate and Commercial Law)	Graduate degree from a recognized university in law	1 Year
LL.M. (Constitutional and Administrative Law)	Graduate degree from a recognized university in law	1 Year
LL.M. (Criminal Law)	Graduate degree from a recognized university in law	1 Year
LL.M. (Intellectual Property Rights)	Graduate degree from a recognized university in law	1 Year
LL.M (Cyber Law)	Graduate degree from a recognized university in law	1 Year
LL.M. (Maritime Law)	Graduate degree from a recognized university	1 year
PhD	Post Graduate degree from a recognized university	3 Years
School of Basic and Applied Sciences		
B.Sc. – Physics, Chemistry, Biology	10+2 passed student	3 years

B.Sc.- Zoology, Biology, Chemistry	10+2 passed student	3 years
M.Sc. Physics	B.Sc. Degree in the specified course.	2 Years
M.Sc. Chemistry	B.Sc. Degree in the specified course.	2 Years
M.Sc. Zoology	B.Sc. Degree in the specified course.	2 Years
M.Sc. Botany	B.Sc. Degree in the specified course.	2 Years
M.Sc. Mathematics	B.Sc. Degree in the specified course.	2 Years
PhD	Post Graduate degree from a recognized university	3 Years
School of Engineering & Technology		
Diploma Mechanical Engineering	Applicable for 10^{th} and 10 + 2 pass	3 Years
Diploma in Computer Science and Engineering	Applicable for 10^{th} and 10 + 2 pass	3 Years
Diploma in Electrical Engineering	Applicable for 10^{th} and 10 + 2 pass	3 Years
Diploma in Electronics and Communication Engineering	Applicable for 10^{th} and 10 + 2 pass	3 Years
Diploma in Civil Engineering	Applicable for 10^{th} and 10+2 pass	3 Years
B.Tech. in Mechanical Engineering	10+2 passed	4 Years
B.Tech. in Computer Science and Engineering	10+2 passed	4 Years
B.Tech. in Electrical Engineering	10+2 passed	4 Years
B.Tech. in Civil Engineering	10+2 passed	4 Years
B.Tech. in Electronics and Communication Engineering	10+2 passed	4 Years
BCA (Bachelor of Computer Application)	10+2 passed	3 Years

M.Tech. in Mechanical Engineering	Graduate from a recognized university in the stream applied.	2 Years
M.Tech. in Computer Science and Engineering	Graduate from a recognized university in the stream applied.	2 Years
M.Tech. in Electrical Engineering	Graduate from a recognized university in the stream applied.	2 Years
M.Tech. in Civil Engineering	Graduate from a recognized university in the stream applied.	2 Years
M.Tech. in Electronics and Communication Engineering	Graduate from a recognized university in the stream applied.	2 Years
MCA (Master of Computer Application)	Graduate from a recognized university with mathematics as one subject.	2 Years
Alabbar School of Management		
B.Com. (Hons.), CBCS	10+2 passed	3 years
BBA (CBCS)	10+2 passed	3 years
MBA	Graduate degree from a recognized university in the stream applied.	2 years
M.Com	Graduate degree from a recognized university in the stream applied.	2 years
PhD	Post Graduate degree from a recognized university	3 Years
School of Humanities & Social Sciences		
B.A. Pass Course (Political Science Public Administration, Sociology, Psychology, Geography, English Literature, History)	10+2 passed	3 years
M.A. Political Sciences	Graduate degree from a recognized university	2 years

M.A. Economics	Graduate degree from a recognized university	2 years
M.A. English	Graduate degree from a recognized university	2 years
PhD	Post Graduate degree from a recognized university	3 Years
School of Agriculture Sciences		
B.Sc. Agriculture (Hons.)	10+2 passed	4 Years

School of Pharmacy		
D. Pharm	10+2 passed	2 Years
B. Pharm	10+2 passed	4 Years
PhD	Post Graduate degree from a recognized university	3 Years

7. NATIONAL AND INTERNATIONAL COLLABORATIONS (MoUs)

7.1 MoU of Raya Global Foundation and School of Humanities & Social Sciences of Raffles University: -

The Aim of this MoU is to build and nurture of Advanced Study with gender sensitization in collaboration with Raffles University, Neemrana and different institutions and Universities around the world. To carry out Workshops, Seminars, Webinars and Conferences on Cross-Cultural, Philosophical and social issues.

MoU of MSME Technology Center, Bhiwadi and Raffles University: -

The objective of MoU to provide a formal basis for interaction between Raffles University, Neemrana and MSME Technology Center Bhiwadi to enhance collaboration in Engineering, production and research area.

8. ORGANIZED MOOT COURT COMPETITIONS / SEMINARS / WORKSHOPS

8.1 5th Surana & Surana and School of Law, Raffles University National Labour Law Moot Court Competition, 2022

5th Surana & Surana and School of Law, Raffles University National Labour Law Moot Court Competition, 2022 was organized 18th November, 2022. In this competition 28 teams from all over India was participated virtually.

8.2 Seminars / Conferences during the session 2022-23

During the Academic Year 2022-23, Two National Conferences were organized by School of Basic and Applied Sciences and Alabbar School of Management.

1- The School of Basic and Applied Sciences has organized a two-days National Conference on 17th and 18th December 2022 entitled "National Conference on Innovative Advancements in Basic and Applied Sciences – 2022 (NCIABAS-2022)
2- The Alabbar School of Management has organized a two days National Conference on 23rd to 24th April, 2022 entitled "India 2.0: Vision for India 2047".

9. PhD RESEARCH SCHOLARS

Raffles University promotes from the first year of its establishment formulated PhD Regulations based on the UGC Regulations comprising of entrance test, course work, formulation of Doctoral Committee, publication of research papers in UGC-CARE listed journals and such other provisions to maintain the quality of research and commenced research programmes leading to PhD degree. Raffles University enrolled 53 research scholars during the Academic Year-2022-23.

9.1 RESEARCH SCHOLARS REGISTERED FOR PHD DURING ACADEMIC YEAR 2022-23

Table - 03

Year	No. of Scholars Registered	No. of Scholars Degree Awarded	Total No. of Scholars Presently pursuing research
2022-23	55	0	19

10. STAFF AFFAIRS

10.1 GENDER WISE DISTRIBUTION OF TEACHING AND NON-TEACHING STAFF 2022-23

The University has a total staff of 152 members as on 31st March, 2023. Among them 89 are teaching Staff and 63 are non-teaching staff. The gender-wise total staff shows that 102 are male and 50 are female staff. Following table present the above details.

Table – 06

Particular	Male	Female	Total
Teaching	53	36	89
Non-Teaching	49	14	63
Total	**102**	**50**	**152**

10.2 REGION WISE DISTRIBUTION OF TEACHING AND NON-TEACHING STAFF

In this table – 07 region wise distributions of teaching and non-teaching staff out of total 151 staff members of Raffles University 76 belong to Rajasthan and 75 belong to non-Rajasthan states.

Table – 07

	Rajasthan	Non-Rajasthan	Total
Teaching	29	69	98
Non- Teaching	47	16	63
Total	**76**	**75**	**151**

10.3 SCHOOL WISE AND GENDER-WISE FACULTY MEMBERS

The table - 08 exhibit male and female representations under each school's faculty members. There are 89 faculty members. Among them 53 are male and 36 are female.

Total – 08

School wise and Gender-wise Faculty Members				
SN	Name of School	Male	Female	Total
1	SOL	08	06	14

MY LETTER TO
MR. VINOD KUMAR GOMBER
(27.12.1950 – 14.02.2010)

Our life together was a precious journey,
We trekked through both-highs and lows;
We met life's challenges,
And always sailed through to grow;
You know it's not easy without you.

You taught us that giving
is a gift of an angelic Sort,
Your thought and your giving nature
always set you apart.
Now it is your legacy -
"To give back to the society"
is what we impart

Dr. Justice Meena V. Gomber (Wife)

NATIONAL CONFERENCE ON "CONTRIBUTION OF MSME TO THE GROWTH OF INDIAN ECONOMY" (1st & 2nd MAY 2023)

Arrival of guest in the MSME Conclave Launch and Ribbon Cutting by the Chief guest

Overview of the Conclave stalls by dignitaries

Welcoming the dignitaries with mementos and re-establishing the culture of growing more trees by gifting plants

A ONE DAY WORKSHOP ON "EFFECTIVE COMMUNICATION, THEATRE, AND DREAMS" (27th MARCH 2023)

NATIONAL YOUTH DAY (12th JANUARY 2023)

The day of budding citizens of India was celebrated with great passion and excitement where everyone came together to share their thoughts in the form of speech on the theme "Viksit Yuva-Viksit Bharat". The students were encouraged by the incredible quotes of Swami Vivekananda and discussed his life story. Furthermore, the day was creatively spent reminiscing the memories of the great philosopher and idolizing him saying, "Take up an idea, devote yourself, struggle in patience and the sun will rise".

A TRAINING PROGRAMME ON PLANT CLINICS (31st JAN - 13th FEB 2023)

A value-added training program on the cultivation of mushrooms, spawn production, and vermicomposting was organized by SOAS, Raffles University, and Krishivan Research Centre for Agripreneurship development and Environment Protection Samiti (KRCADEPS), Jhaira, Dehradun from 31st Jan to 13th Feb 2023. On the first day of the training program Resource Person, Mr. Yashraj Sahu delivered his presentation on scientific methods of mushroom cultivation and spawn production. On the second day Mr. Pramod Kumar Chourasia, AIA (Expert), Cultivation of Mushroom & Value Addition, Marketing strategies, presented his talk on diseases, poisonous mushrooms, marketing, financial assistance. On the 3rd day, Mr. Jitendra Singh and Mr. Ashish Kumar Bhambu with the help of their presentation demonstrated to students about different insects of crops. Practical demonstrations with students were conducted to give the students better insights into the

BLOOD DONATION CAMP WAS ORGANIZED AND 168 UNIT OF BLOOD WAS COLLECTED ON DAY

NATIONAL SCIENCE DAY (28th FEB 2023)

The National Science Day is celebrated to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicists of India- Sir CV Raman. This year, the theme was 'Global Science for Global Wellbeing'. The School of Basic and Applied Sciences had organized a range of activities like quiz competition, essay writing competition and poster presentations. Students from various under graduate and postgraduate courses had participated enthusiastically in these events. As the final event of these celebrations, the department invited Mr. Dhadiwal(Plant Head, TS tech, Neemrana, Rajasthan) as the guest of honour where he delivered a talk on the topic entitled: "Modern Science for Science for Collective Welfare". Dr. Rajpal (HOS, SOBAS) delivered the opening remarks. He formally welcomed all the participants gathered for the celebration. Other Department heads were also present and addressed the gathering with their stimulating thoughts on Science & Technology .Vice-chancellor Prof. Gadangi Indira spoke on the importance of National Science Day and the life and works of noble laureate Sir C V Raman and pontificated on how Science and Technology should walk hand in hand to solve the current societal and global problems. After the talk, an interactive session was held where the guest had patiently attended and answered each and every question. At the end of it, the results of various competitions like Quiz, Essay writing, and poster presentation were announced by Dr. Prabhjot Kaur. The higher authority congratulated all the prize-winners. Finally, Dr. Sonal Saluja delivered the vote of thanks.

WORLD WATER DAY AND WORLD METEOROLOGICAL DAY CELEBRATION CUM KISAAN GOSTHI (23rd MARCH 2023)

The School of Agricultural Sciences, Raffles University celebrated the World Water Day and World Meteorological Day Celebration cum Farmer Gosthi on 23 March 2023.

The programme started with the arrival of Chief Guest Prof. Dr. Gadangi Indira, Vice Chancellor, Raffles University. The celebration was hosted by Dr. N. Moses and the welcome address was delivered by Dr. Morajdhwaj. The speech of Dr. Awaneesh Kumar highlighted the objective, importance and future aspect of World Meteorological Days and Dr. Pushpam Patel focused on objective, importance and future aspect of World Water Day. Around fifteen farmers were invited from surrounding villages for Kisaan gosthi and farmer-expert interactive session. It was conducted by Dr. Morajdhwaj Singh, Dr. Awaneesh Kumar and Mr. Mukesh Choudhary. The celebration was marked by a competition on poster making in which many students participated in the events and showcased their knowledge and skill on the importance of World Water Day and World Meteorological Day. The name of the winners were prepared based on the scorecard received from the judges. At the end of the programme Dr. Jyoti Vishwakarma proposed a formal vote of thanks.

PROGRAMME FOR LEARNING JAPANESE AS A FOREIGN LANGUAGE (4th APRIL 2023)

The university is situated in Japanese industrial area. Therefore, being able to speak Japanese is considered a notable toll for the engineering students. As a result of the recognition of the significance of the language, the School of Engineering and Technology arranged a one-day seminar on April 4, 2023. A language specialist travelled all the way from Gurugram for the seminar. The lecture series covers a variety of approaches that makes it possible to acquire Japanese in a straightforward manner.

MANAGEMENT FEST 'PRABANDHOTSAV' (4th & 5th APRIL 2023)

The Alabbar School of Management organized ***Prabandhotsav*** from **4th of April 2023 to 5th of April 2023** to provide a platform for students to showcase their management skills and knowledge. The coordinator of this delightful event was Dr. Pravin Chandra Singh and the co-coordinators were Ms. Tanu Gandhi, Ms. Ritu Rawal, Ms. Jyoti Yadav, and Mr. Vibhav Pratap. It was an opportunity for the students to engage in various activities, competitions, workshops, and seminars related to management and business. Management fests usually involve a series of competitive events that test participants' abilities in areas such as marketing, finance, human resources, operations, strategy, and entrepreneurship. These events may include case study competitions, Business Plan competitions, Quizzes, Logos, and role-plays. The purpose of a management fest is to foster a spirit of healthy competition, enhance students' practical understanding of management concepts, and provide a networking platform for students to interact. It offers a chance for students to apply their theoretical knowledge to real-world scenarios, develop teamwork and leadership skills, and gain exposure to current trends and practices in the business world. Overall, management fests play a significant role in the holistic development of students pursuing management education by providing them with a platform to showcase their talent, learn from industry experts, and build valuable connections within the business community.

EARTH DAY (22, April 2023)

MOCK GROUP DISCUSSION (GD) AND PERSONAL INTERVIEW SESSIONS

In today's competitive world, group discussions (GD) and personal interviews (PI) have become an integral parts of the selection process for various academic institutions, job opportunities, and even for scholarship programs. GD and PI provide individuals with a platform to showcase their knowledge, skills, and personality traits. Personal interviews are one-on-one interactions between the interviewer and the candidate. PIs provide a platform to assess an individual's qualifications, suitability, and overall personality. Thus, in order to groom our students Alabbar School of Management (ASOM) organized mock GD and PI with the industry experts.

PLACEMENT/INTERNSHIP

Presentations Conducted in Alabbar School of Management on Various Corporate Events and Topics.``Corporate Governance Scandals in India`` presented by our students Mr. Neeraj Sharma and Mr. Maheep, BBA-VI Sem. Dr. Manoj Kumar Meet, a renowned expert in the field, was the Convener of the Event.

OPEN LECTURE AT NEEMRANA FORT PALACE (23rd MAY 2023)

One day session was conducted on the topic "Sharp Communication and Genial Etiquettes" on the 23rd of May at the Neemrana Fort Palace. As nowadays the culture of communication is exponentially touching in every field. Therefore, it was a small effort by the SOHSS to step into the highly generous industry, which welcomes everyone with a great sense of hospitality. It was an amazing experience with the staff members who were cooperative and inquisitive to learn the skill. This was the initiative taken by Dr. Deepika Mishra and Dr. Aparna to broaden the objective of the teaching and learning arena.

WORLD ENVIRONMENT DAY (5th JUNE 2023)

The School of Agricultural Sciences, Raffles University celebrated 'World Environment Day' on 5th June, 2023 with the real pioneers of our society, our farmers. Theme of this year was "Solutions for Plastic Pollution." On this occasion, team of SOAS conducted a 'Kisan Goshti' in the village Dhundhariya with the aim to create awareness towards conservation of environment and nature by bringing several small but impactful changes in our daily routine. This programme was organised under the leadership of Prof. Dr. J. S. Yadav, Dean, School of Agricultural Sciences. The program was inaugurated by the Chief Guest Mr. Ashok Yadav, Sarpanch of the village Dhundhariya. He focused on the fact that farmers are closest to environment and they can play a vital role in either conservation or destruction of the mother nature. Prof. Dr. J. S. Yadav emphasised on the ways and means to reduce plastic pollution and bring sustainable solutions to the use of plastics. He stressed on his concern about growing pollution, which is endangering biodiversity, and the emerging threat of microplastics, which are accessing precious soil resources through numerous paths and impacting soil biological health and ecosystem services. Dr. Rajpal, School of Basic and Applied Sciences, encouraged the farmers for sustainable agriculture and highlighted chemical-free farming as a crucial alternative for preserving resources for subsequent generations.

INTERNATIONAL YOGA DAY (21ST JUNE 2023)

The ninth International Day of Yoga was celebrated on the University campus was celebrated on the 21st of June. The teaching and the non-teaching staff of the University gathered on the lush green grounds of the campus to celebrate this day adhering to the 2023 theme "Yoga for Vasudhaiva Kutumbakam". Ms. Arti Tiwari, a yoga expert based in Neemrana was called for the special celebrations who threw light on the importance of yoga in daily lives and performed some asanas abiding by the 2023 tagline *"Har Aangan Yog"*. The staff of the university participated enthusiastically with her.

Thank You
