ABOUT RAFFLES LAW SCHOOL

The Raffles Law School at Raffles University is a rare resource for affordable legal education in an energetic “Gurukul” atmosphere. The School of Law traditionally runs law clinics that provide legal services to those who otherwise cannot access these services. With the help of the District Legal Services Authority, under the banner of Rajasthan State Legal Services Authority, the school has been continuously running the legal clinic movement and has had a major impact on access to legal services for the local community. MESSAGE FROM THE FOUNDER

Late Mr. Vinod Kumar Gomber
Founder Chairman

Raffles University was founded by the late Mr. Vinod Kumar Gomber, an alumnus of Harvard Business School, a great human being full of compassion and ethics, and a desire to provide holistic, value-based education to the youth of this country and beyond. He led the Dubai-based Emaar Group as CEO of Worldwide Infrastructure Operations. His message to the youth was:-

"Get inspired, broaden your horizons, aim for excellence and achieve all your dreams."

- Vinod Kumar Gomber

Mr. Gomber founded Raffles in the model of "Gurukul" with the objective of providing holistic education, not only to enable "employment" but to provide knowledge to a person to find his identity and meaning and purpose in life. He also had a deep belief in spiritual values and desired to connect with nature and community. The noble impulses were so strong and awakened within Mr Vinod Kumar Gomber that despite his exalted global status, he had the infinite humility to say that "We have been blessed only by being in the right place at the right time. We are custodians of the financial resources that have been given to us and therefore we must use them to the best of our ability for the benefit of mankind"... "Our mission is to share". Raffles University imbibes and imparts these values through its excellent education system and state-of-the-art infrastructure. Mr Vinod Kumar Gomber was one of the few giants of our world who have given us a lasting and timeless legacy that future generations can cherish.

MESSAGE FROM THE CHAIRPERSON

GOMBER EDUCATION FOUNDATION

HON'BLE JUSTICE DR. MEENA V. GOMBER

Former Judge - Rajasthan High Court
Chairman - Gomber Education Foundation
Chief Patron - Raffles School of Law

The modern concept of legal education is learning by bringing in a proportionate blend of reading, observation, participation and practice.

Mooting and mock trials have been emphasized by legal educationists as these are capable of developing in the prospective lawyers the ability to speak clearly, express ideas clearly, the art of persuasion and the art of presenting cases in a concise and understandable manner.

Moots are legal problems in the form of hypothetical cases adjudicated by two students or two groups of students acting as counsel for each side, before a bench of judges or a bench headed by a single judge.

The purpose served by Moots and Mock Trials has been beautifully highlighted by Lewis Carroll with a sense of humour in Alice in Wonderland: “In my youth”, said his father, “**I took to the law. And argued each case with my wife. And the muscular strength it gave to my jaw lasted all my life.**”

MESSAGE FROM THE CHAIRPERSON

MR. VIVEK GOMBER
Chairperson

MESSAGE FROM THE PRESIDENT

RAFFLES UNIVERSITY

Prof. (Dr.) Rajender Sangwan

President/Vice Chancellor

Universities are working very hard to make higher education meaningful and relevant. Many universities are experimenting to make their products (graduates) “job fit” using their own strategies. The emphasis is on bringing out competent people who can meet the requirements of employers. In short, higher education is driven by the job market. I believe that the aim of universities is to inculcate confidence, commitment and concern as basic values apart from imparting knowledge. Raffles University is being founded on high ideals with a vision to shape the youth as desired by Swami Vivekananda. The curriculum and teaching methodology are designed to develop the inherent potential of each student.

Scientia est potentia which means “**Knowledge is Power**” is our motto. We prepare, expose, empower and enlighten you to face any challenge in life with confidence but without compromising on moral values. I welcome you with open arms to the University and our flagship event. I am confident that you will make this competition great.
